

A Friend of the Family

Over fifty years ago a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called his "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective, and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Introduce pure red blood into the system, and health is assured. When you feel run-down, out of sorts, blue and despondent try the energizing influence of this reliable tonic. You can obtain Golden Medical Discovery in tablet or liquid form at all drug stores, or send 10c for a trial package to Dr. Pierce's Laboratory in Buffalo, N. Y.

A letter from Mr. and Mrs. J. B. Hendrix, now of Knox City, Texas, tells us that they like their new home but remember their Ranchvale friends. We think that by next Christmas you'll think so much of us that you'll return.

Mr. Acie Lyman, of Colorado, is visiting his sister, Mrs. Frank Groves. After receiving on Wednesday night the telegram announcing the death of Sam Groves, he started immediately for Clovis, arriving about four o'clock Friday morning.

Our Sam.

Last Wednesday at noon our community was shocked by the report that Sam Groves, who had been ill three weeks with typhoid fever, could live but a few hours.

Attentive nursing and skilled medical treatment failed, his delicate constitution could not battle with the malignant type. The relapse brought death's messenger as the sun went down Wednesday.

The body was taken to Steed's undertaking parlors and kept there until Friday noon, and then brought to the Ranchvale Auditorium where funeral services were conducted by Bro. Hatfield. John F. Taylor sang, by special request, "Tell Mother I'll Be There."

Sam was one of our high school boys, a working member in our Sunday school, nineteen years old, had been a follower of Christ five years, and was not ashamed to point the way to others.

The school and Sunday school placed on his pearly gray casket beautiful garlands of flowers. More than 200 attended his funeral here and burial in Clovis cemetery. This speaks for the boy who had been among us two years.

How Our Boy will be missed by us and the fond parents and loving brothers and sisters! But like him may we be.

"When our summons comes to join that innumerable caravan to go sustained and soothed by an unfaltering trust," then

"Shall we not see thee waiting stand, And, white against the evening star,

The welcome of thy beaming hand." L. M. S.

Card of Thanks.

We wish to thank the people of Ranchvale and all others who were so kind to us in our saddest hour of bereavement. Although our son and brother has departed this earthly home, we know that he has gone to a place where sorrow will be no more. May God's richest blessings be with those who so willingly offered us words of comfort and consolation in the loss of our beloved one.

F. M. Groves and family.

A CHANGE IN POLICY

Of vast interest to the people of Curry and surrounding counties:

Our Big Sale, which is still to be continued, proved such a tremendous success, and so many people took advantage of our **LOW CASH PRICES**, that it has convinced us that the best way to serve the buying public is to

Make Every Day a Sale Day and to Sell for Cash On a Cash Basis

Everyone knows that a Time Payment or Credit House has to get (in order to stay in business) very large profits to pay the cost of carrying accounts, to make up for losses accruing from non-payments, damage to merchandise they are forced to take back, etc., and that the ones who "do pay" have also to "pay" for the ones who "do not pay," and this is not fair to the ones who pay cash, so our new policy is to do a **CASH BUSINESS**. To sell for **CASH** on the **VERY LOWEST MARGIN** possible, which will enable us to sell at from 25% to 50% under the credit or time-payment houses.

The people of this vicinity convinced us during this Big Sale that they were tired of paying the long credit prices and were glad to save so much by paying cash. Not one, but scores of people told us this.

So from now on our motto will be "**SMALL PROFITS—ON GUARANTEED FURNITURE TO SATISFIED CUSTOMERS.**"

FOR CASH

We are going to "let the other fellow" get "the long profits" and carry accounts on his books.

But you who wish to make your dollars have more purchasing power, and save a big interest on your money, come to us with the **CASH** and we will convince you.

PORTALES PAPER FAVORS BRATTON FOR SENATE

In September the people of New Mexico will have the opportunity of voting on a constitutional amendment and also in voting for a United States Senator to fill the place now occupied by Holm O. Bursum by appointment.

Will they submit to boss rule, or will they elect a man of the people whom they can depend on to represent the people.

At the present time there is not a man in New Mexico who is better qualified for this place than Judge Sam G. Bratton, who is now holding District Court in Portales. There is not a Democrat in the state who has a cleaner record and the confidence of both parties than Judge Bratton. Then why not the people of New Mexico call on the Judge and offer

him the senatorial toga. In the olden days during a crisis the people chose the man. This was a wise rule. Today we need more of this choosing the man—and the News believes that Judge Bratton is the right man for this place.—Portales News.

More than 1,600 new members were obtained for the American Legion in Virginia during the last two months in spite of unfavorable agricultural and industrial conditions.
